## CM/ECF Changes & Updates

*This section includes information regarding changes and updates to CM/ECF events, menus and the way the system processes information.*

### Certificate of No Objection

A new event **Bankruptcy > Miscellaneous > Certificate of no objection** has been created for attorney use. Attorneys will no longer need to use *Certificate (generic)* and enhance the text.

### Application for Administrative Expenses

The event **Bankruptcy > Motions/Applications > Administrative expenses** has been modified. The event now allows for the amending of a previously filed application and linking to the original application.

## Form Updates

*This section includes information to help reduce CM/ECF filing errors and provide procedural guidance.*

### BTXN191 Transcript Request

BTXN191 has been modified to remove any reference to producing CDs for audio, as this is no longer an option for our court.
